

Our Mission is to provide funding for services and support to abused and neglected children and families in crisis in Southwest Riverside County.

- ♡ **H.E.A.R.T. for Children** was founded in 1984 as a grassroots effort.
- ♡ Today the organization and the needs have grown to include underwriting therapy, child care tuition and providing lifelines to foster children aging out of the system.
- ♡ We can't do it alone. We need your support to continue our vital work.
- ♡ 98% of proceeds go directly to the community.

Therapy, Child Care, Lifelines, Hope.
