

Have you seen me?

When you are at the grocery store ... *I am there.*
When you are at the mall ... *I am there.*
When you are at the park ... *I am there.*
At school ... *I am there.*
Drive down the street ... *I am there.*
Everywhere you look ... *I am there.*

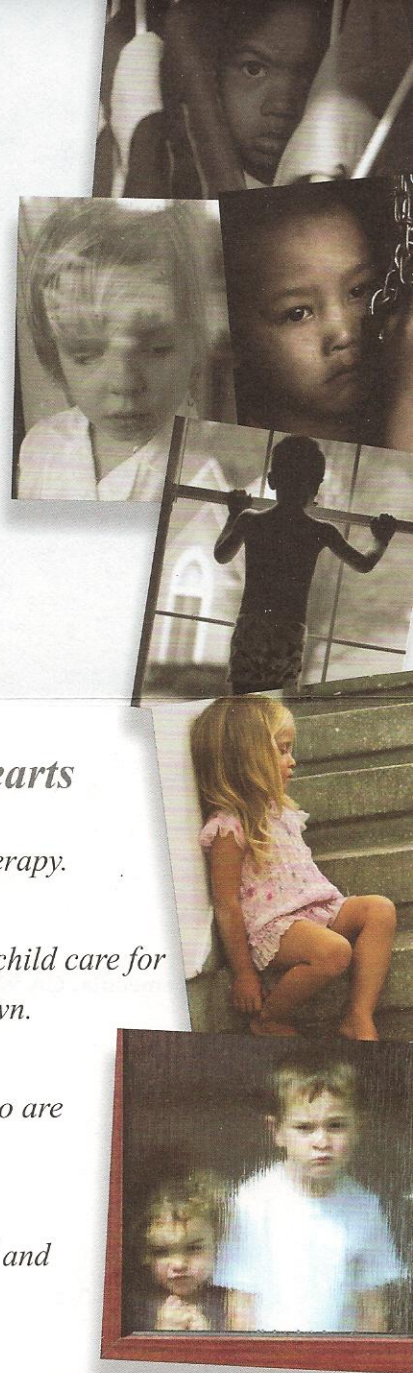

*I am just one of thousands of children abused
in Southwest Riverside County each year.*

I am neglected.

I am hurting.

I am scared.

When I need your help ... *Will you be there?*

Help H.E.A.R.T. for Children Heal Hearts

♡ *Therapy Programs - providing hours of critical therapy.*

♡ *Child Care Tuition Programs - providing quality child care for those who would have normally been left on their own.*

♡ *Lifeline Programs - providing services to those who are aging out of the Foster Care System.*

♡ *Discretionary Fund - provides services for abused and underserved children with specific needs.*

A Donation is often a personal response to a personal experience. Designated giving is your opportunity to make a difference in the quality of a child's life by supporting a program that may have already directly touched your life.

H.E.A.R.T. for Children allows you to designate the manner in which your contribution is to be used. All funds will be applied in the manner requested.

Please join us by completing the form below and sending in your check today. Your gift is an investment in the quality of life for the many children served by the **H.E.A.R.T. for Children** foundation.
