

COMMUNITY MISSION OF HOPE

Responsible Compassion Towards Self-Sufficiency

Helping Those in Need in the Temecula Valley

Community Mission of Hope (CMOH) was founded in 2009 as a Temecula/Murrieta based charity in response to the effects of the Great Recession on families and individuals. Community Mission of Hope provides tangible help through food (non-perishable and perishable) and hygiene products. Other services include family classes, counseling, support groups, mentoring, recovery programs, job training and placement classes. Additionally, our vital partnerships with municipalities and other non-profits provide recipients a full complement of opportunities to grow toward self-sufficiency. Our objective is to serve our recipients in a dignified and respectful manner.

More than Just Food...

Community Mission of Hope has distributed over 2,000,000 meals to thousands of Temecula/Murrieta residents who have needed a helping hand. The key goal of CMOH however, is to responsibly mentor families and individuals toward the goal of self-sufficiency. In this respect, we partner with recipients on their journey toward self-sufficiency and a life free from dependency on others. This is responsible compassion.

All pantry services are provided at no charge primarily through the charitable donations of local area churches, community groups, schools, individual donors, and businesses. We service Temecula, Murrieta, Anza and Aguanga.

100% of the overhead of Community Mission of Hope (CMOH sites, utilities, and all non-program staff) is covered by Rancho Community Church, so 100% of community donations (private and corporate) go directly to help families and individuals in need toward the goal of self-sufficiency.

For more information on how to volunteer or donate through a gift-in-kind, please email us at info@cmoh.net. We thank you for your partnership in responsible compassion.

Weekly Hours

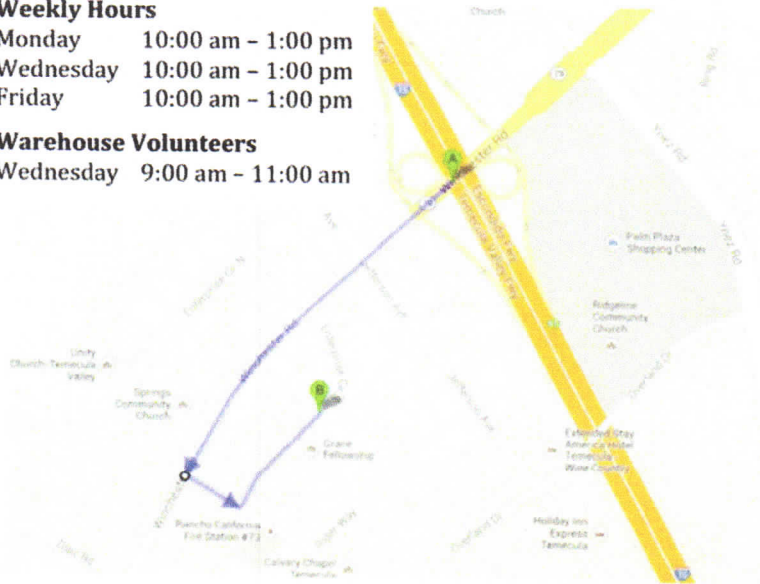

Monday 10:00 am – 1:00 pm

Wednesday 10:00 am – 1:00 pm

Friday 10:00 am – 1:00 pm

Warehouse Volunteers

Wednesday 9:00 am – 11:00 am

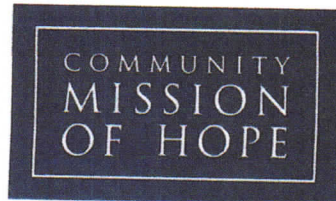

From Winchester Road & Interstate 15

- Head **West** on Winchester Rd toward Jefferson Ave
- Continue west **Past** Jefferson Ave
- At the next traffic signal turn **Left** onto Enterprise Circle South
- Take the first **Left** to stay on Enterprise Circle South

(You will pass Hank's Hardware on your right and left)

- Continue on Enterprise Circle South. We are the **last building** on your right before the street turns on to Winchester.

Note: If using a GPS or smartphone, please make sure you enter Enterprise Circle "SOUTH". Also, our suite does not face the street, so you can look for the automotive repair banners. Our driveway is the third driveway before the street curves.
